

What to take during an evacuation

In addition to other preparedness kit items, people with special health needs, mobility issues or disabilities who need to evacuate should bring with them:

- Face coverings
- Alcohol-based hand sanitizer
- All medications (in original bottles packaging if possible) or written copies of all prescriptions
- A list of all medical conditions
- At least one change of clothing, including sturdy shoes
- Any important medical equipment (walkers, wheelchair, canes, oxygen concentrators, etc.)
- Any other essential medical supplies (syringes, blood sugar monitor, catheters and incontinence products)
- Eyeglasses, dentures, hearing aids, communication devices
- Cell phone and charger
- Contact numbers for family, health care provider and pharmacy
- Photo ID, if possible
- Medical insurance information
- Supplies for any special dietary needs
- Pet care items such as food, water, bedding, kennel or leash for service pets.
