Self-Employment Income

Is anyone in your home self-employed? Yes No **If yes**, please fill out this form.

➔ Send all available proof of income and expenses for the most recent month available.

Self-employment income is when you are being paid for doing work, but you don't have a regular employer other than yourself who gives you a paycheck and takes out taxes. Perhaps you have your own company with a separate bank account or perhaps you do odd jobs for people who pay you in cash.

Tell us about this business and income from self-employment.
