

Protect Yourself & Medicare

THREE SIMPLE STEPS

PROTECT

Protect yourself against Medicare fraud.

Treat your Medicare and Social Security numbers like your credit cards. Never give these numbers to a stranger.

DETECT

Detect possible fraud, errors, and abuse.

Review your Medicare statements for mistakes by comparing them to your personal records.

REPORT

Report suspected fraud, errors, and abuse.

If you think you have been a target of fraud, report it.

**Senior Medicare
Patrol (SMP)
