Attention OHP client – Read this information carefully before you sign.

Before you sign, make sure that the Oregon Health Plan (OHP) does not cover the prescription. If OHP does not cover the prescription, the Oregon Health Authority (OHA) or your coordinated care organization (CCO) cannot pay for it. Here are some things you can do:

Make sure the service is not covered

If the prescription must be approved by OHA or your CCO, you will get a Notice of Action – Benefit Denial (NOABD) if the prescription cannot be approved. This Notice explains why the prescription was not approved. It also explains how you can ask OHA or your CCO to change the decision by asking for an Appeal or Hearing.

- If you did not receive a Notice of Action, ask OHA or your CCO to send you one.
- Read the Notice of Action carefully. It will also give you information about how to ask for an Appeal or Hearing.

If you also have Medicare, you may have other Appeal rights. Call 800-Medicare (800-633-4227) or TTY 711.

If you have Medicare, see if your Medicare Part D plan covers the prescription

If you need help with Medicare Part D, call Oregon’s Medicare Medication Assistance (MMA) line at 877-585-0007.

Check to see if there are other ways to get the prescription

- Ask your provider if they have tried all other covered medications that could treat your condition.
- There may be service organizations, free clinics, county health departments, prescription assistance programs, and manufacturer’s coupons or discounts that might help you pay for it.
- Will your OHP benefits, or any other health insurance, change soon? If so, try to find out if they will cover the prescription.

Questions?

- Call your CCO’s Customer Service department, or
- Call the OHP Client Services Unit at 800-699-9075, TTY 711.
- Call the Public Benefits Hotline at 800-520-5292 if you would like legal advice about OHP and paying for services.
