

The Oregon Health Plan Covers COVID-19 and Flu Vaccines for Children, Youth, and Families

Kids 5 and older can now get the COVID-19 vaccine.

Since May 2021, youth ages 12-18 have been able to get the Pfizer COVID-19 vaccine. Starting November 3, 2021, kids ages 5 through 11 will be able to get the pediatric Pfizer COVID-19 vaccine.

OHP covers the COVID-19 vaccines and the flu shot for OHP and CAWEM members.

The Oregon Health Plan (OHP) covers COVID-19 and flu vaccinations for OHP and CAWEM members. COVID-19 and flu vaccines are available through pharmacies, doctor's offices, community clinics, and hospitals.

- Visit [GetVaccinated.Oregon.gov](https://www.getvaccinated.oregon.gov) to get help finding the COVID-19 vaccine.
- Visit [Flu.Oregon.gov](https://www.flu.oregon.gov) to get help finding the flu vaccine.

The Oregon Health Authority strongly encourages everyone get both a COVID-19 and flu vaccine if they can.

- Children 6 months and older can get a flu shot. Parents and guardians should take children who are between 6 months and 2 years old to their child's doctor's office to get the flu vaccine.
- Youth 15 years and older do not need their parents' permission to get vaccinated.

Pharmacies can now provide children's COVID-19 and flu shots.

Parents and guardians can also take children to any pharmacy that accepts OHP or CAWEM coverage and is ready to provide vaccines to children.

- Children 3 and older may get the flu shot at the pharmacy.
- Children 5 and older may get the Pfizer COVID-19 vaccine at the pharmacy.

Children 5 and older can get the Pfizer COVID-19 vaccine and the flu shot at the same time. They can get these shots at the same visit, or on another day.

Members should plan ahead before taking children to get the Pfizer COVID-19 vaccine and flu shots.

Find vaccine providers who accept OHP and are ready to provide flu and COVID-19 vaccines to younger children.

- If you plan to visit a pharmacy, contact the pharmacy to make sure they have both vaccines, they can give your child the vaccines, and that they accept OHP.
- If your children have a primary care provider (PCP), ask the PCP about their vaccine options.

Have OHP questions?

If you need help finding a vaccine provider that accepts OHP:

- Contact your CCO. To find CCO contact information and resources [click here](#).
- If you are not in a CCO, call OHP Care Coordination at 800-562-4620. Native American and Alaska Native members can also call CareOregon Tribal Care Coordination at 844-847-9320.

Learn more about OHP and CAWEM coverage during COVID-19

- [Click here](#) for more information for OHP CAWEM Members on COVID-19.
- Also visit [OHP's COVID-19 page for members](#).

If you don't have health coverage, apply for OHP today.

You can apply online at [ONE.Oregon.gov](#).

Not sure if OHP is right for you?

Go to [OregonHealthCare.gov](#) and answer the screening questions. This will help you find the application that works best for you and your family.

Trained community partners across the state can help you fill out an application. It's free. Visit [OregonHealthCare.gov](#) to find community partners in your area.
