Why create an account?

Creating an account **allows you to:**

- Receive messages about vaccine services and providers
- Receive messages about changes in vaccine eligibility or booster shots
- **Add more people to your account**, such as a child, parent, or person under your care.

12. After you click the link to verify your account, you will arrive on a screen that says, “Your email has been verified. You can now sign in with your new account.” If you subscribed by text, you’ll receive a message that says, “Thank you for using Get Vaccinated Oregon. You can unsubscribe at any time by responding ‘STOP’”
13. Go to <http://www.getvaccinated.oregon.gov/>
14. Sign in with your email address and your password or phone number and code received by text message

To add others to your account:

1. Click the “add registrant” button
2. Fill out the information **for the person you are adding to your account**
3. Click the “Next” button
4. Enter the **new registrant’s name** under “Eligibility questions answered for”
5. Enter contact information under the “Notifications contact information” section
6. Click the “Next” button
 - You should see the message “Your account has been updated”
7. Click “Go to account” button
 - You should now see your name listed and the name of the person you added to your account

To resubscribe to your account:

1. Go to <http://www.getvaccinated.oregon.gov/> and log in to your account
2. Click the Email or Phone Notifications dropdown menu on the My Account page and select “Subscribed”
 - You will receive messages that align with your preference (email or phone). If you would like to change your message type (email or phone), you will need to create a new account
