

How to Determine Practice Predominantly Program Year 2013 and Later

<p>1. Pick any 6 month period (<i>either in, the prior calendar year or the 12 month period preceding the attestation date</i>).</p> <p>For example:</p> <p>You are applying for an incentive payment for program year 2013 and today's date is April 1, 2013. You may pick a 6 month period that starts as early as January 1, 2012 resulting in a 6 month period of 1-1-2012 through 7-1-2012 and as late as October 1, 2012, resulting in a 6 month period of 10-1-2012 through 4-1-2013.</p>	
<p>2. For the timeframe you selected, please enter the name(s) of the FQHCs and RHCs where you practiced.</p>	
<p>3. For the timeframe you selected, did 100% of your encounters occur in an FQHC or RHC? <i>(If no, please complete questions 4-7.)</i></p> <p><i>(If yes, you do not need to complete the remaining questions. please return the form to the Medicaid EHR Incentive Program.)</i></p>	
<p>4. Enter the total number of encounters that occurred in the FQHC/RHC locations during this timeframe.</p>	

5. Enter the total number of encounters by counting encounters that occurred in all locations during this timeframe.	
6. Calculate your percentage of encounters by dividing the FQHC/RHC encounters by the total encounters.	
7. Is the amount greater than 50%?	

You may upload your completed form as a PDF when you submit your attestation OR email to Medicaid.ehrincentives@state.or.us.

Please be sure to keep a copy for your records.
