The Oregon ScreenWise program (*ScreenWise*), a program of the Oregon Health Authority, aims to reduce breast and cervical cancer, by promoting prevention and early detection.

ScreenWise may pay for:

- Screening and diagnostics for breast or cervical cancer
- Screening for hereditary cancer using genetic counseling and testing for BRCA 1 and 2 to identify high-risk patients
- Patient navigation and support

ScreenWise will not pay for breast or cervical cancer treatment. If treatment is needed, patients may apply for the Medicaid Breast and Cervical Cancer Treatment Program (BCCTP).

By signing this form, I **understand** that:

- My enrollment may start up to three months before the date signed below, allowing ScreenWise to pay for eligible claims during that period.
- I will remain enrolled in ScreenWise for one year while I am still eligible and do not ask to be taken out of the program.
- My provider will assess my eligibility to remain in the program every year.
- ScreenWise, my medical care providers, clinics and/or hospitals may share information with one another about my health care and any related medical care I receive through ScreenWise; and may organize my care and involvement in appropriate screening and/or diagnostic services, genetic counseling, and testing related to breast and cervical cancer.
- My information will not be shared with anyone outside of the Oregon Health Authority, its contracted providers and funders; and any published report will not use my name.
- I may receive written, telephone or electronic communications related to ScreenWise services.
- My provider must tell me in writing about any services that are not covered by ScreenWise.

By signing this form, I **confirm** that:

I meet all of the following eligibility requirements for the program:
