

Operational Policy

Policy title:	Agency Compliance with Statewide Administrative Policy		
Policy number:	ODHS OHA-010-014		
Original date:	08/20/2015	Last update:	05/06/2019
Approved:	Don Erickson, DHS CAO Kris Kautz, OHA Deputy Director		

Purpose

The Oregon Department of Human Services (ODHS) and the Oregon Health Authority (OHA) are committed to ensuring that agency employees comply with state administrative and operational policy as required by the Department of Administrative Services (DAS). ODHS and OHA may supplement these DAS policies with additional requirements.

Description

This policy describes the responsibility of ODHS and OHA employees to comply with statewide policy instituted by DAS.

Applicability

This policy applies to all ODHS and OHA staff including employees, volunteers, trainees and interns.

As keepers of the public trust, all agency employees have a responsibility to comply with state and agency policies, administrative rule, and state and federal law. The agency takes this responsibility seriously and failure to fulfill this responsibility is not treated lightly. Employees who fail to comply with state or agency policy, administrative rule, or state and federal law may face progressive discipline, up to and including dismissal from state service.

Policy

1. ODHS and OHA follow all applicable statewide policies created by the Oregon Department of Administrative Services (DAS).
2. When ODHS and OHA create policies that are similar or related to policies created by DAS, including policies that are more strict, employees shall follow the ODHS, OHA or joint policies in addition to – not instead of – the DAS statewide policies.
3. When ODHS and OHA create policies similar or related to policies created by DAS, the title of the similar or related DAS policy or the DAS statewide policy page shall be included in the reference section or related policies section of the ODHS|OHA policy.
4. ODHS|OHA may have supplemental policies to those listed in the Related Policies section of this document. However, the DAS policies listed have been specifically adopted by ODHS|OHA through the adoption of this policy.

5. All ODHS, OHA and joint policies shall include the following statement: *ODHS and OHA follow all applicable federal and state statutes and rules and all Oregon Department of Administrative Services statewide policies.*
