

Floor Plan Child Foster Home

Please draw a floor plan of your home on a separate sheet of paper using the following symbols, where appropriate. An example of a floor plan using these symbols has been provided on the back of this page. The floor plan of the home must include: the location of rooms, indicating the bedroom for the foster child, caregivers, and other occupants of the home; and the location of windows, exit doors, smoke detectors, fire extinguishers, and wheel chair ramps, if applicable. Please draw a diagram of the house and property showing safety devices for fireplaces, woodstoves, water features (fountains, ponds, pools, hot tubs), and outside structures and fencing. **Please attach this sheet to the back of your floor plan.**
